May 18, 2014 - 2:00 Recital for all Creative Movement & Kindergarten classes

A Note on Attendance:

All classes are about to begin their recital dance. It is crucial that students attend classes regularly. It is almost impossible for teachers to create choreography and for students to learn where their places are when they are not in attendance. It is also difficult for the little ones to remember their choreography from week to week, especially if they are absent. For these reasons, we kindly ask that you please make every effort to have your child attend all classes consistently! Thank you!
