FEBRUARY'S STUDENT OF THE MONTH CALLIE GANEY

Teacher's Tip of the Month:

Remember never to compete against others, only compete against yourself.

- Zana Flatt

IMPORTANT INFORMATION **ABOUT PHOTO WEEK** **MARCH 17-20!!!**

ALL students in the recital should attend picture week regardless of whether or not you plan to purchase any pictures. Individual and class pictures will be made during regular classes the week of March 17-20. Please note that ALL CLASS PICTURES WILL appear "complimentary" in the recital program as part of your recital fee. There will NOT be a photo make-up date. Our pictures are taken on a "proof system" which means no payment is due when pictures are taken. Parents should come back during the week of April 7-10 to view the proofs and, if you'd like, place an order for your personal pictures. Payment must be made to Dunaway's Studio when the order is placed. This will be the only time to order pictures since Dunaway Studio commits to being at the studio during your child's class time in order for you to come and view your proofs and make any purchase.
