October 2014

Office Hours

RECITAL COSTUMES

Recital costumes are \$76.30 (this includes tax) per class. This amount should cover the cost of the majority of the costumes ordered; however, if there is a balance or credit, it will be applied in January. Costumes have been posted to all students accounts. They are due on October 1st and late after the 15th. A late fee will be charged if not received by October 15th.

Ballet & Tap K classes will have both a ballet and a tap costume (2 Dances - \$152.60 due).

Acrobatics classes will have a demonstration here at the studio during the last week of classes.

If your child cannot perform in a recital dance, you **MUST** fill out a No Costume Order Form in the studio office. If your child is taking more than one level of a subject, she may perform in both recital classes, or just her regular level. If she/he chooses to perform in only one, it will automatically be the class level in which she/he was placed. If performing in only one, be sure to fill out a No Costume Order Form in the office for the other class that she/he will not be performing with.
